If you choose to use your status and influence
to raise your voice on behalf of those who have no
voice; if you choose to identify not only with the
powerful, but with the powerless; if you retain the
ability to imagine yourself into the lives of those
who do not have your advantage, then it will not
only be your proud families who celebrate your
existence, but thousand and millions of people
whose reality you have helped change. We do not
need magic to change the world, we carry all the
power we need inside ourselves already. We have
the power to imagine better.
